# Advanced Labelling Technologies

# Who we are

We are an Italian company, founded in 1991, who designs and manufactures industrial labelling machines and material identification systems. Recognised innovators in the Identification, coding and traceability of materials, we operate worldwide through 80 resellers and three subsidiary companies in the United Kingdom, the United States and South America.

# Location

# Location

# The distribution network

On our domestic market our products are promoted by:

- Direct salespeople
- Agents and representatives
- Regional distributors

Abroad we work with skilled distributors:

- Packaging machinery resellers and manufacturers
- Resellers of equipment for material automatic identification (AID)
- Label manufacturers

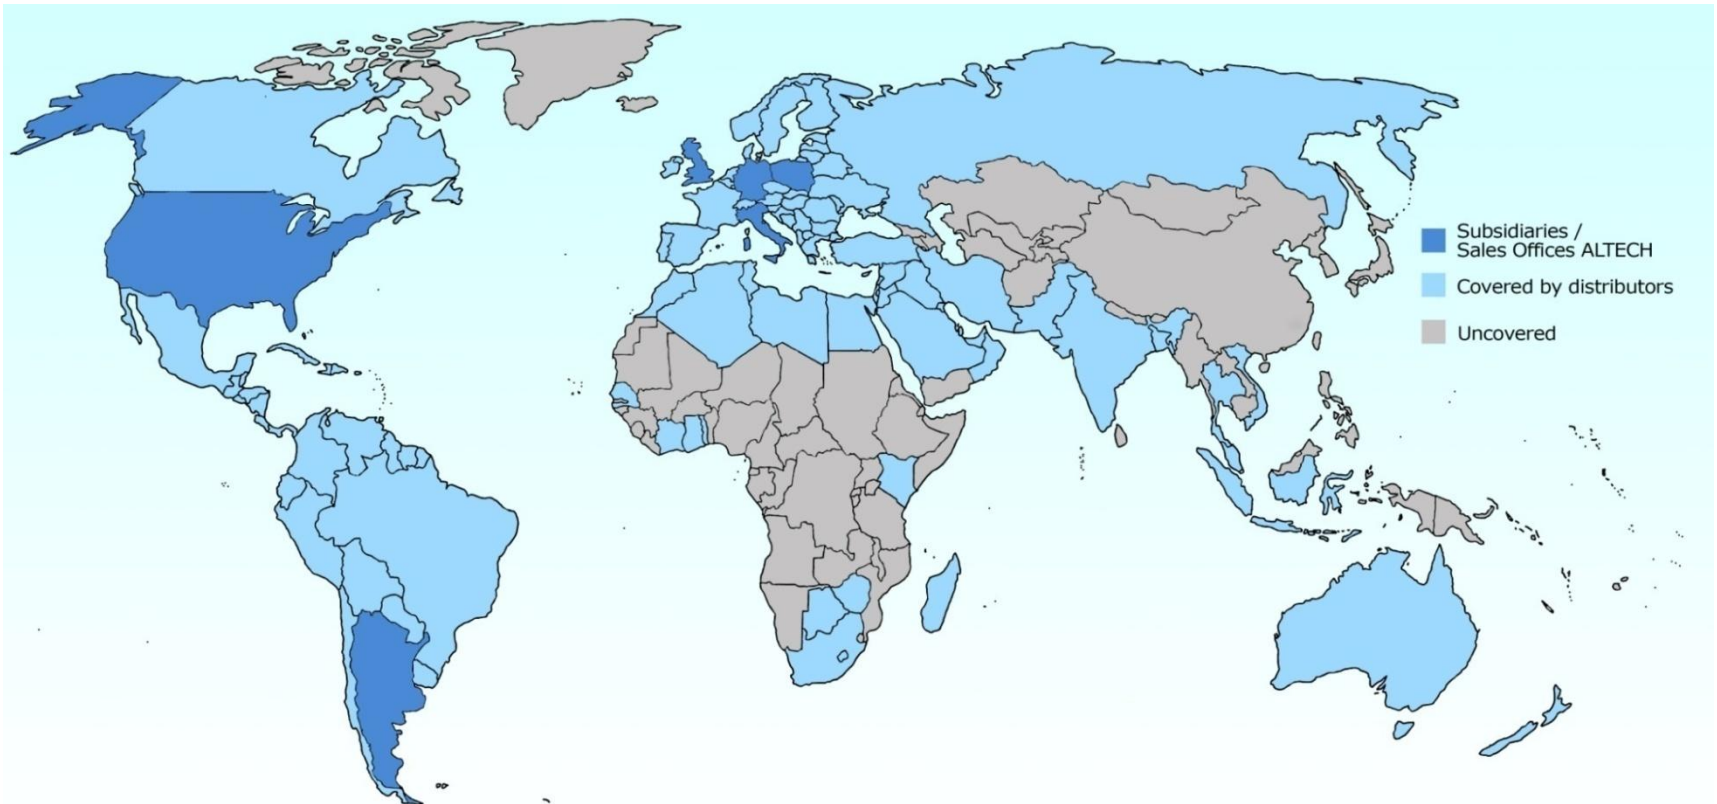

In the United Kingdom we make use of our subsidiary ALTECH UK Labelling Technologies [www.altech-uk.com](http://www.altech-uk.com)

As regards Latin America our subsidiary is ALTECH LA [www.altech-la.com](http://www.altech-la.com)

ALTECH US office in Ohio is operative for sales and support in the USA [www.altech-us.com](http://www.altech-us.com)

For the German market, a Sales Office is operative in Lubeck.
